**THE UNITED STATES’ NOTICE OF  
INTERVENTION IN PART FOR PURPOSES OF SETTLEMENT**

1. Pursuant to the False Claims Act, 31 U.S.C. § 3730(b)(2) and (4), the United States notifies the Court that it hereby partially intervenes for settlement purposes against defendants BioTelemetry, Inc. and CardioNet, LLC (“Defendants”). The United States and Defendants have reached an agreement (“Settlement Agreement”) to resolve allegations that Defendants violated the False Claims Act, 31 U.S.C. § 3729 *et seq.* In light of this agreement, and for the purpose of effectuating and formalizing that resolution, the United States respectfully advises the Court of its decision to partially intervene for the purposes of settlement as to certain civil claims for violations of the False Claims Act, as defined by the Covered Conduct in the

Settlement Agreement. The United States declines to intervene as to the remaining claims.

Relators and Defendants have confirmed through their respective counsel that they agree that the government may intervene for the purposes of settlement.

2. Under the terms and conditions of the Settlement Agreement the parties have executed, the United States and Relators will promptly file a Notice of Dismissal, pursuant to Federal Rule of Civil Procedure 41(a)(1), after the United States receives the required payments from the defendants as provided for by the terms of the Settlement Agreement.
